

# TNT SYSTEM COMPENSATION PLAN

TNT System has the most robust and most powerful compensation plan you have ever encountered, called "TNT System".

Why is it so powerful? To begin with, you can start out by purchasing a marketing package\*\*\* that includes a **\$1000 Grocery Dough redemption code** which allows you to go online to [www.grocerydough.com](http://www.grocerydough.com) and choose **\$1000 worth of coupons of choice**, during the year, from a selection list of **hundred of coupons all the time!!** The coupons you choose are mailed back to you free of charge, postage paid!! If you frequent a double coupon redemption supermarket, you can save **\$2000!!!!** **These are not "internet coupons" which often get rejected in supermarkets, and hardly ever doubled if accepted.** This product will offset the cost of the \$79.95 marketing package, **20 times over!!**

**That's powerful!!** In addition to this powerful product, you also will receive an authorization number to go onto [www.onlinecoupons.com](http://www.onlinecoupons.com), and save big money on dining, attractions, travel, movie tickets, and so much more!!!!!! You can save hundreds of dollars during your year of membership! This is another product that will completely offset the cost of your marketing package!

**\*\*\* For our International friends, because the manufacture's coupons are USA based, our marketing package is only good to use in the USA, however, our solution for the international market is we will give you Home Package in place of our Marketing Package in place.**
